Congratulations to Red Bull F1 – A dual championship repeat! A commitment to performance and responsiveness has made FieldView an indispensa e tool for Red Bull. he team has recorded a phenomenal repeat of oth the Constructor s and river s F1 Championships in 11 O r ustomers in every domain nefit from this technical colla ration.

FieldView 13.1 - ven faster!
Post-processing is faster again. FieldView 13 delivers 4-7x faster transient data management, 2-100x faster sampling and probing, 10x faster streamline computation. The revolution continues!

Open Foam Reader All new, high performance, and easy Use FieldView to make better decisions in less time - no repartitioning, perform direct dataset comparisons, create single-click transient animations, and deftly handle your largest data.

care
Delivering dignity. Fighting poverty.
I am powerful
At CARE, we've found in country after country that the power women have to improve conditions in the world's poorest areas is nothing short of incredible. With an education, opportunity and a voice, women can bring lasting change to an entire society and help it move forward.
SHE HAS the POWER to change her world.
YOU HAVE the POWER to help her do it.
